Serving the  
industry  
for over  
180 years

Since its founding in 1817, Johnson Matthey has developed an unrivaled position in the worldwide precious metals market, based on reputation, technical excellence and superior service.

---

The famous Johnson Matthey assay mark, which first appeared in 1835, represents our assurance of fineness and quality.

---

Today, Johnson Matthey is the world's largest refiner of gold with refineries in the United Kingdom, United States, Canada, Australia and Hong Kong.

---

We are the oldest internationally hallmarked manufacturer of investment bars in North America producing a wide range of sizes in gold, silver and platinum. Each bar is stamped with the Johnson Matthey logo, the exact weight and individual serial number.

---

Johnson Matthey manufactures and markets the widest range of platinum products in the world. Platinum bars complement our line of gold and silver investment bars.

---

Gold, as a standard for investment, is timeless. When that time is right, the choice of bar is Johnson Matthey.
